

ASEAN-NARCO

The Launch of 2026 ASEAN Drug Monitoring Report during the 47th ASEAN Senior Officials Meeting on Drug Matters

ASEAN Drug Monitoring Report 2026 was launched via a short video presentation during the opening of the ASEAN Senior Officials Meeting on Drug Matters (ASOD) on 4 August 2026 hosted by the Office of the Narcotics Control Board (ONCB)

ASEAN Drug Monitoring Report 2026 (ADM Report) is the eleventh publication of the ASEAN Drug Monitoring Network (ADMN) since its first publication in 2015 under the ASEAN Drug Cooperation Centre (ASEAN-NARCO). It contains six chapters as follows:

- Chapter 1 : Overview of ASEAN Drug Trends and Patterns
- Chapter 2. : Major Drug Problems in ASEAN
- Chapter 3. : ASEAN Country Report
- Chapter 4. : Research Knowledge and Innovation
- Chapter 5. : Policy and Programme Implementation
- Annex

ASEAN Drug Monitoring Report is the annual report presenting a comprehensive overview of ASEAN's latest drugs situation by focusing on the demand and supply of illicit drugs encountered in the region. It reflects the collaborative efforts of ASEAN Member States through the ASOD Focal Points and ASEAN Drug Monitoring Network teams of ASEAN Member States in sharing the information for the successful formulation of the ASEAN Drug Monitoring Report which is not only the annual report but also a strategic analytical platform for ASEAN Member States to address the remaining challenges of drug problem across ASEAN.
