2025 INTERNATIONAL CONFERENCE ON DRUG POLICY : YABA, METHAMPHETAMINE, AND SYNTHETIC DRUGS

will revolve around four interconnected thematic tracks that reflect the complexity of methamphetamine and synthetic drug issues in the region.

These themes provide a multidisciplinary platform for researchers, policymakers, practitioners, and civil society to explore challenges and solutions from multiple angles—policy, harm reduction, treatment, and recovery.

DATE: AUGUST 6–8, 2025

Venue : Eastin Grand Hotel Phayathai

YABA& DRUGS
